TO: **CFBPW Board of Directors**
Club President's & Members

WHEN: **Saturday, October 23, 2021; in person and via Zoom**

LOCATION: **Coast Anabelle Hotel, 2011 West Olive Avenue, Burbank 91506**

FROM THE PRESIDENT:

The agenda will be e mailed to you in advance of the meeting. Included in our business will be Management Team updates, and a continuation of our discussion to ensure future leadership continuity for the organization. Our program will feature the Downtown Women's Center of Los Angeles, with updates on their positive steps to move women out of homelessness.

Reports from officers, chairpersons and District Presidents are due to Secretary Barbara Davis no later than October 9. Her email is bjdavis1001@gmail.com. You will receive Board meeting materials via e mail a week prior to the meeting.

If you plan to stay at the hotel, book your reservation as soon as possible. There is no group block of rooms or special rates, so you should make your own reservation. Visit the Coast Hotels website for information on the Coast Anabelle or the sister property across the street, The Safari Inn.

ALOHA Our long delayed anniversary celebration dinner will be held in person (only) the same day. Host District Valley Sunset is planning a Hawaiian themed event, with entertainment and party favors. We'll learn little known facts about our 100 years and toast our leadership team. You do not have to attend the Board meeting in order to enjoy the evening's festivities. If you are busy during the day, please join us for dinner for fellowship and fun.

This meeting and dinner are open to ALL members, not just the Board members. So join us on October 23. I look forward to seeing you in person or via zoom. If you have questions or need more information, e mail me at lynnbrandstater@gmail.com or call me at 818-606-2677.

President Lynn
