(virtually) at 2:00 p.m.

Annually our Hollywood BPW recognizes a woman who lives the words of Susan B. Anthony

**"FAILURE IS IMPOSSIBLE".**

Molly Murphy Mac Gregor certainly has lived the words and changed a Grassroot Organization into

A National Institution over 38 years of "Writing Women Back into History." In 1980, as a co-founder of the National Women's History Project led a coalition that successfully lobbied Congress to designate March as National Women's History Month, now celebrated across the United States. She has served as the chair of the Women's History Project and the National Women's Alliance.

Today, NWHHA is known nationally as the only clearing house providing and training in multicultural women's history for educators, community organizations, and parents-for anyone wanting to expand their understanding of women contributions to U.S. History.

Her personal story that led to her this project as a life career is fascinating and she has been doing for over 40 years. She has been a speaker several times for our California Federation BPW.

Since 1984, Hollywood BPW has been having our annual Susan B. Anthony Awards luncheon during Women's History Month, but since Covid 19, we had to change the way we could celebrate. Great plans were being made for the celebration of the 100<sup>th</sup> Anniversary of Women getting the Right To Vote! So last year's Susan B. Anthony celebration was held in December, 2020...the hundredth year. 2021 we continue to celebrate the Women's Right to Vote to commemorate Women's Equality Day which is in August. So please mark your calendars because it will be a time in history that all women should remember and observe!

Our Hollywood BPW Club would be so pleased you would join us in this special celebration.
