RESOURCES AVAILABLE

There are many sources of assistance in BPW for the Clubs and the members:

- Workshops, webinars, and training opportunities at State, National and International level.
- Newsletters from many sources: International, National, other Affiliates and Committees.
- Many Projects by the members, Clubs and Federations covering a multitude of fields and issues that can inspire your curiosity and participation

-
- Training opportunities available to help our members in their careers.
 - Mentoring, presentations, and even funds to increase your membership.
 - Twinning with other Clubs all over the world with ideas and programs that can work for both groups.
 - Materials available such as sample letters to new members, retention, how-to manuals or toolkits, etc.
 -

-
- Participation at the United Nations: Events, information and contact through our UN Representatives and the UN Committees in several countries.
 - Guest speakers and presenters from all over the world.
 - Also consider having your own members as speakers, sharing their experiences in BPW, career, vacations, or any issue important to them.
